

## **To convert the CTP maps into .pdf format and keep the photos**

1. Click on File → Export.
2. Change the drop down window to be exported as a .jpeg image.
3. Click on the Options button.
4. Change the image resolution to 150 dpi.
5. Click okay.
6. Open *Acrobat Writer* (we can load this on our computers) and Acrobat Reader will not work.
7. In Acrobat Writer, click on File → Save as → \_\_\_\_\_.pdf
8. The photos in the map will appear in the .pdf image.
